

Request for Information

Yokohama Museum of Art is following the government guideline regarding the prevention of the spread of COVID-19 infection. Consequently, we are collecting names and contact addresses of our visitors to be shared with the public health centers and other health authorities. We kindly ask you to fill-in the form below.

The personal information you have provided will be managed by K.K.ETIX DATAFARM and its use will be limited to identifying and tracing COVID-19 infections. You may be contacted by us or by the public health authorities.

Thank you for your kind cooperation.

Yokohama Arts Foundation
